ECM SERVICES GROUP STORMWATER MONITORING PROGRAM STORMWATER SAMPLING INSTRUCTIONS

PLEASE READ THESE INSTRUCTIONS COMPLETELY before you attempt to take samples of your facility's stormwater runoff. This Manual contains the following documents:

1. Sampling Instructions
2. Chain-of-Custody and Sample Log Form

If you do not receive a complete set of sampling documents please **immediately notify ECMS at (916) 988-0867** so we may provide you with replacements.

This Manual provides ***step-by-step instructions*** on how to:

1. **Inspect** your sample kit (page 2)
2. **Sample** stormwater runoff from your site (page 3-5)
3. Properly **document** your sampling activity (page 6)
5. **Label** your sample containers (page 6); and
6. **Prepare** your samples for shipping (page 7)

THESE SAMPLING INSTRUCTIONS MUST BE CAREFULLY FOLLOWED to ensure that your facility remains in compliance with the State of California's General Industrial Stormwater Permit (General Permit). Failure to follow these instructions will void your facility's test results and you will not be in compliance with the General Permit.

DO NOT ATTEMPT TO SAMPLE your facility's stormwater runoff until you fully understand these instructions and how to collect your site's stormwater samples.

IF YOU DO NOT FULLY UNDERSTAND these instructions please call **ECMS at (916) 988-0867** and we will be glad to guide you.
